

BARRIQUES BARREL RACK WITH A CAPACITY OF 500 - 1000 LITERS

Rack for Tonneaux barrels 500-1000 liters. The stand is made of durable aluminum, equipped with wheels to easily rotate the barrels without having to remove them from the stand. The stand will work well in any winery. Thanks to it, processes such as batonnage or barrel washing can be performed without having to remove the barrel from the rack.

Technical data:

- 100% aluminum
- Powder painting
- Stainless steel screws
- Tonneaux 500-1000 liters
