

DESTEMMER CRUSHER NDC

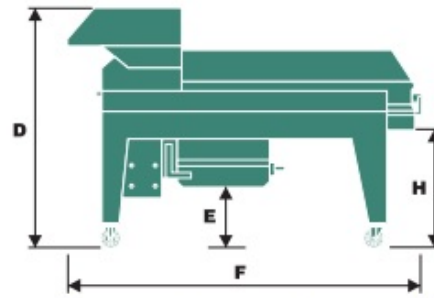

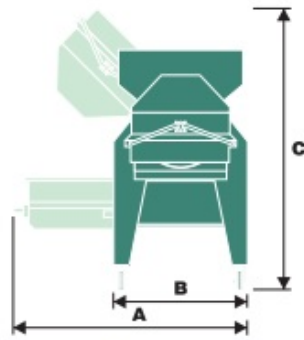

Della Toffola's NDC crusher destemmers guarantee a perfect, delicate separation of the grapes from the stems, retaining the quality of the crushed grapes in every situation. Conceived and designed to be extremely user-friendly, the standard fittings include solutions that make cleaning procedures quick and effective.

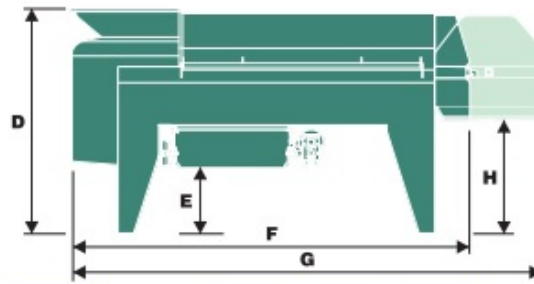

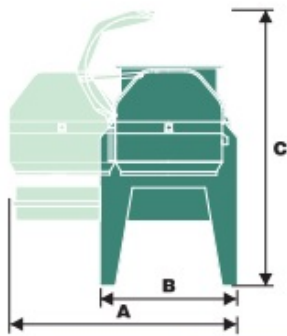

The NDC crusher destemmers are available in several versions: from the NDC 8 (80 q/h) to the NDC 105 (1000-1200 q/h).

Various models are also fitted with an electronic speed control to adapt constantly to different needs and types of product.
