

## FRUIT AND VEGETABLE WASHER WITH GRINDER AND BRUSHES

**Gross price:**  
**47 833 €**

**Net price:**  
**38 889 €**

This machine is suitable for washing and grinding fruits and vegetables. The poured fruit falls directly into the water basin, then the elevator conveyor pulls out from the water, where clean it with high pressure water and pass on to the mill. The fruits get a clean water wash on the conveyor. The machine is suitable for processing lines due to the adjustable speed of the elevator.

- fruit and vegetable washing, transporting and grinding at the same time
  - efficient washing with high pressure nozzles
  - adjustable belt speed
  - The machine is compatible with the following
- 
- The fruits go to the input hopper, after soaking the elevator towards the fruit under the secondary clearwater sprays.

Easy to clean, with massive polypropylene/acetal modular elevator, steplessly adjustable speed in both ways, with 2pcs rotating, 2pcs fix wheels or vibration-free feet. Requires minimal maintenance.

**Available options:**

- Changeable diameter sieve: for changing the texture of the mash
- Stop 'n' Go system: membrane sensor, that allows the fruit washer/grinder and the beltpress work together
- Dosing module: sliding door with end-switch, that allows the dosing from the grinder safely to the packpress.

**TECHNICAL DATA**

Performance: 1500 kg/h

Power: 4 kW, 400 V, 16 A, 3 phase /

Weight: 275

Size: 1000x3030x2120mm / output height: 1270 mm

**SPECIFICATIONS**

- Performance: 1500 kg/h
- Electric demands: 4 / 5 kW, 400 V, 16 A, triphase
- Material: WNr. 1.4301, AISI 304 stainless steel
- Dimensions: 1000x3030x2120 mm
- Output height: 1270 mm
- Tub water capacity: 130 L
- Washing water supply: (20-100L/h depending on the setting)
- Water connection: 3/4" quick connector
- IP65 certified electronics
- Grinder with a massive crushing hammer
- The grinder can be by-passed and turned, this way the machine is capable of process stone-fruits or just wash the fruits.
- Noise emission: 60-70 dB
- 4 pcs of strong, counter-rotating brushes for the intense cleaning.
