

STIRRER WITH SMOOTH SPEED CONTROL

Stainless steel hand mixer for mixing low viscosity media. Thanks to the movable agitator shaft and the folding propeller, it can be mounted in the tank from the side using the handle provided for this purpose, through the ball valve or the top tank lid.

Thanks to the built-in inverter, even small quantities of drinks can be mixed particularly gently.

Standard equipment:

- high quality mechanical seal
- Motor protection switch
- 10m cable
- inverter.

Model	for tanks volume	engine	rotation speed	weight
Model 1-FU	up to 15000 l	400V / 0,37KW	300 - 1400 obr./min	16 kg
Model 2-FU	up to 35000 l	400 V / 0,75 kW	300 - 1400 obr./min	20kg
Model 3-FU	up to 50000 l	400 V / 1,5 kW	300 - 1400 obr./min	25kg

PRODUCT VARIANTS

VARIANT	PRODUCT CODE	PRICE
Model 1-FU		Gross price: 12 327 € Net price: 10 022 €
Model 2-FU		Gross price: 16 347 € Net price: 13 290 €
Model 3-FU		Gross price: 19 563 € Net price: 15 905 €
