

TANNINS, TANNIVIN® MULTI

Combined tannins for mash, must and clarification

Tannivin® Multi is a new, high purity, botanical oenological tannin. The product is the optimum combination of a proven tannin with a quebracho tannin. This combines the benefits of both tannins.

At a glance:

Product Combination of a well-proven tannin with a Quebracho tannin

Range of use Mash, in the must and in the wine sector

Special features
