

# TANNIVIN® EH PURE OAK TANNIN MADE FROM FRENCH OAK

Tannivin® EHPure oak tannin made from french oak

Tannivin® EH is a high purity, botanical oenological tannin prepared as a fine brown powder. Only selected, air-dried French heartwood is used to make Tannivin® EH. For many years, Tannivin® EH has been traditionally used to optimise wines' precipitation potential in the event of subsequent protein fining.
